## The Sacrament of Holy Baptism

Congratulations on your decision to seek the sacrament of Baptism.

Baptism makes you a Christian and part of the Church. So Baptism makes no sense if you're not connected to a worshipping community. Now we know that most Australians don't see much point to Church and worship. But we believe God calls us to hear God's word, to reflect on it with the aid of good preaching and to participate in Jesus' life, death and resurrection through the sacraments of the Church. Thus God sends us out from the Church to make a difference in the world.

God has a purpose for you and your child through Baptism.

Church is about God's commitment to our world and you are called by God to be a part of it. The Christian religion is deliberately public, not a retreat for private individuals far from the real business of living. That's why we invite you and your household to be a part of our parish community week by week. Come and join us for worship at Christ the King, or at some of our other parish activities.

To find out more please contact us by email or phone or visit our websites or Facebook Page (details below)

Please complete the application form attached and send or deliver it to the parish office. If you have any questions feel free to contact one of our parish baptism team.
